§ 260.3 Definitions.

Blind licensee. A blind person licensed by the State licensing agency to operate a vending facility on DoD-controlled property.

Cafeteria. A food dispensing facility capable of providing a broad variety of prepared foods and beverages (including hot meals) primarily through the use of a line where the customer serves himself or herself from displayed selections. A cafeteria may be fully automatic, or some limited waiter or waitress service may be available and provided within a cafeteria and table or booth seating facilities are always provided. The DoD Component food dispensing facilities that conduct cafeteria-type operations during part of their normal operating day and full table-service operations during the remainder of their normal operating day are not “cafeterias” if they engage primarily in full table service operations.

Direct competition. The presence and operation of a DoD Component vending machine or a vending facility on the same DoD-controlled property as a vending facility operated by a blind vendor. Vending machines or vending facilities operated in areas serving employees, the majority of whom normally do not have access (in terms of uninterrupted ease of approach and the amount of time required to patronize the vending facility) to the vending facility operated by a blind vendor, shall not be considered to be in direct competition with the vending facility operated by a blind vendor.

DoD-controlled property. Federal property that is owned, leased, or occupied by DoD.
